Shareholder Information: Non-Material Correction in the Annual Report

Zespri advises that it has made a correction to the shareholder information section of the Company's Annual Report on p.84.

Directors do not consider these corrections to be material to the users of the financial statements, and they are as follows:

- the interim and final dividend per share on p.84 is corrected from \$0.99 cents to \$1.17
 - the figure reported for Net dividend yield on p.84 is therefore also corrected from 15.84% to 18.72%.
 - the figure reported for Gross dividend yield at 28% tax rate on p.84 is therefore also corrected from 22.00% to 24.54%.
- the figure reported for Earnings per share on p.84 is corrected from \$2.97 to \$1.30.
- two of the ranges in the Distribution of ordinary shares and registered shareholders" table on p.84 are corrected, from "200,001 – 300,000" to "200,001 - 500,000" and from "Over 300,000" to "Over 500,001".

A corrected digital version of this report is available online including at <https://www.zespri.com/en-NZ/annualreports>.

There is no change to the audited financial statements.
